# FARES' ARRIVAL

**NEWS UPDATE | DOHA ACADEMY & DIKG**

Exciting news! Fares, the official mascot of Doha Academy and Doha International Kindergarten, has already arrived in Doha and is ready to begin his new journey!

Fares is set to bring a whirlwind of fun, learning, and school spirit—cheering on students, celebrating achievements, and making every school day extra special.

Stay tuned for his grand welcome and join us in giving Fares a warm reception!

## **SHOW SCHOOL PRIDE WEAR OUR UNIFORM**

Doha Academy and DIKg would like to remind all families that students are expected to wear their full school uniform every day. More than just looking smart, our uniform fosters pride, unity, safety, and a professional appearance for school activities and events.

Please note that students in full uniform may be featured in newsletters, the yearbook, and official social media (with parental consent).

EDUCATIONAL HOLDING

DOHA ACADEMY OFFERS AN EDUCATION FOR LIFE. WE BELIEVE THAT SCHOOLS SHOULD BE HAPPY AND PURPOSEFUL COMMUNITIES THAT ENABLE CHILDREN TO ACHIEVE THEIR BEST SPIRITUALLY, MORALLY, SOCIALLY INTELLECTUALLY AND PHYSICALLY.

As per our school's Vision Statement, we strive to provide an all-inclusive educational environment for our students. We warmly welcome students from all backgrounds. We are proud to educate students representing almost sixty nationalities.

As per our school's Mission Statement, we believe that schools should be "happy and purposeful" communities where the varied abilities and achievements of all students are celebrated.

## MESSAGE FROM THE FOUNDER

*"For 25 years, Doha Academy has been dedicated to empowering our students with both knowledge and values. We believe that true education lies in preparing young people to meet the challenges of tomorrow, while remaining grounded in their faith and identity. I am deeply proud of our journey and grateful to every parent who has entrusted us with their child's future."*

**Dr. Sheikha Aisha bint Faleh Al Thani,**  
Chairperson & Founder

## MESSAGE FROM THE CEO

*"This silver jubilee is not only a celebration of our past, but also a promise to our families. At Doha Academy, we strive to offer a safe, inspiring, and supportive environment where every child can thrive. Our achievements over 25 years are a reflection of the trust and partnership we share with parents, and together we will continue shaping leaders for tomorrow."*

**Sheikha Anwar Bint Nawaf Al Thani,**  
Chief Executive Officer

# OUR SCHOOL

**Doha Academy Al Waab** is the largest of our campuses providing an all-through KG-12 British-based education for boys and girls.

*We live in a rapidly changing world, where we must prepare our students for life in a society where they will work in jobs that do not currently exist, employing technologies that have not yet been invented. Doha Academy aims to provide its students with an education for life, along with developing the 'whole child' in conjunction with strong academic knowledge.*

## ECA (EXTRA CURRICULAR ACTIVITIES)

*A Day of Creativity and Discovery!*  
 Our Primary students at Doha Academy Al Waab enjoyed a vibrant day of extra-curricular fun! From book coloring and LEGO building to computer skills, board games, and magical bubbles, curiosity and smiles filled every moment. Photos and videos captured their excitement, teamwork, and imagination—showing how learning at Doha Academy goes beyond the classroom!

## PROTECT EDUCATION DAY

Primary students at Doha Academy Al Waab joined the global call to safeguard education through creative activities. Guided by our Deputy Heads, they designed posters with messages of hope and left handprint marks as a symbolic stand for every child's right to learn. These meaningful activities encouraged teamwork, creativity, and compassion—showing that even our youngest learners can take part in shaping a brighter future.

## SCIENCE IN ACTION

Throughout September, our Secondary students at Doha Academy Al Waab carried out a wide range of exciting experiments. From chemistry and physics to biology investigations, the labs were filled with curiosity and discovery. These hands-on activities not only strengthened their scientific knowledge but also encouraged teamwork, problem-solving, and a true passion for learning.

### EXPLORING THE STARS

Anas, a Grade 11 student passionate about astronomy, set up the school telescope with support from Ms. Doaa and guidance from Mr. Iurii Galadzhun. He explored stars, planets, and even sunspots using the mirror telescope first purchased for solar eclipse observations. Anas now hopes to launch an Astronomy Club and one day upgrade to a Celestron NexStar for advanced stargazing and astrophotography.

### EXPLORING ACIDS AND BASES IN THE LAB

### DIFFUSION IN ACTION

### SALT PREPARATION EXPERIMENT

### FRENCH MEETS SCIENCE

Grade 9G students combined language and science in the Chemistry Lab, using cabbage juice experiments to explore chemical reactions while learning lab equipment and techniques in French. Guided by Mr. Andres Felipe Castillo and Mr. Iurii Galadzhun, with support from Ms. Doaa Moussa, this hands-on lesson made French vocabulary colorful, practical, and fun!

**WELCOME TO THE HOUSE SYSTEM**

Grade 9 students at Doha Academy Al Waab launched the House System, forming Oryx (Patience), Falcon (Knowledge), and Lion (Courage). Competing in French vocabulary, grammar, reading, and speaking challenges, students earn points for their houses while practicing teamwork and celebrating successes. This gamified approach makes learning French fun, interactive, and motivating—let the best house win!
