

NEWS LETTER

Hi Everyone!
I'm Fares! The
Official Mascot
of Doha
Academy and
DIKq!

MY VISIT

Doha Academy Al Waab was filled with joy and excitement as Fares, our official school mascot, made his first-ever visit! He was greeted with bright smiles and cheerful waves, joining classroom activities and sharing countless high fives along the way. It was a morning full of laughter, energy, and school spirit!

OUR PRINCIPAL, Edward Myler-Crook

Meet **Aisha Al-Thani**, our talented Year 6 student from Doha Academy Al Waab Primary – the brilliant young artist behind our beloved school mascot!

Our beloved mascot, Fares, brought joy and excitement to Doha Academy Salwa during his special visit! He spent the day engaging with students, joining classroom activities, and even lending a hand in some lessons.

It was an exciting morning at Doha International Kindergarten as our beloved mascot, Fares, came to visit! The children were delighted to meet him – sharing smiles, high-fives, and laughter. Fares filled every classroom with joy and energy, making the day truly special!

Exploring, Creating, and Learning at Doha Academy Primary Al Waab

Our students enjoyed a fun-filled ECA day packed with creativity, curiosity, and teamwork! From dancing and games to science experiments and art, every activity sparked imagination and joy.

Teacher-Student Day at Doha Academy Al Waab

Laughter filled the halls as students became teachers and teachers turned into students! It was a fun day celebrating creativity, smiles, and the special bond between teachers and learners.

Being Healthy – Mind, Body & Soul

Our students celebrated Green Day by dressing in green and sharing healthy snacks with friends. It was a regular school day filled with learning, but also a chance to come together and reflect on the importance of healthy habits for life.

An Enriching Visit to the French Institute

Our Secondary Girls spent a delightful morning practicing French through games, quizzes, and conversations, and explored the Institute's activities. This visit celebrates the introduction of French as an IGCSE subject. Thanks to Ms. Marie Tabet for organizing this inspiring experience!

Science + Art in Action

Students of 8B3 explored Islamic geometric patterns using secret inks, revealing their designs through chemistry!

This hands-on lesson combined artistic creativity with safe, engaging science experiments.

Science Club Sparks Curiosity

Every Monday, Science Club meets in the Boys' Chemistry Lab (ASF1) to explore hands-on experiments.

This week, students are discovering electrolysis and the world of essential oils, igniting their passion for science!

Science Came Alive at Doha Academy

Grades 9G2 and 12G1 explored the link between Chemistry and Biology in the Girls' Chemistry Lab (CSF1), building flower and bee models, simulating pollination, and scenting creations with essential oils in a hands-on, creative science session.

Doha Academy Salwa Celebrates World Mental Health Day

Our students took part in engaging activities to promote emotional well-being and mindfulness. Through puzzles, challenges, and games, they explored focus, calmness, teamwork, and positive ways to manage emotions.

A Splashing Day at the Aquarium

Our Salwa Primary students had an amazing time exploring the underwater world! From colorful sea creatures to fascinating marine life, the day was full of smiles, laughter, and new discoveries.

Doha Academy Salwa Celebrates Teachers' Day

Our students and teachers came together to honour our dedicated educators. Through messages, smiles, and gestures, they celebrated the strong bond between teachers and learners and the commitment to nurturing growth, curiosity, and kindness.

Pink Day at Doha Academy – Salwa Branch

Our secondary girls went pink in support of health awareness and solidarity. Students and staff came together to spread hope, positivity, and care, showing that small acts of unity make a big difference.

Doha Film Institute Visits Doha Academy – Salwa Branch

We were delighted to welcome the Doha Film Institute to our Salwa Branch, Secondary Girls section. The visit offered students an engaging, enriching experience beyond the classroom.

Yellow Day in Kindergarten

Our little learners at Doha International Kindergarten celebrated Yellow Day, the color of sunshine, joy, and positivity! With cheerful outfits and creative yellow-themed activities, the day was full of smiles and laughter.

Pirates Day in Reception!

Ahoy, little pirates! Our Reception class at Doha International Kindergarten enjoyed an adventurous Pirates Day filled with treasure hunts, pirate crafts, and learning through play – complete with smiles and plenty of “Arrr!”

Active Minds, Happy Hearts at DIKg!

Our little learners explored Extra-Curricular Activities with creativity and fun! Through dancing, building, crafts, games, and stories, they learned through play, building skills, confidence, and teamwork.
